The only international awards exclusively
for independent agencies of all disciplines
and attended by...

... an international audience of agency
owners, senior directors and managers

The Indie Awards will be held on 11th November 2021. The event will be broadcast live over the internet from 3.30pm to 5.00pm GMT, to an international audience of hundreds of independent agency owners, senior directors and their teams.

Would you like to be part of it?

The Indie Awards are a celebration of the incredible creative talent that resides within the independent agency sector. Year after year, agency owners and senior directors from around the world attend the event in eager anticipation of discovering who'll be taking home one of the beautiful hand crafted Scottish whistles that are awarded as unique prize to the winning agency in each category.

These individuals come from dynamic, entrepreneurial businesses not owned and controlled by the big six holding companies – making up an estimated 40% of the agency sector by value, and far more in number.

For any company providing services to agencies, these individuals and their businesses represent a major opportunity.

The Indie Awards is an amazing chance to engage with this unique and invitation only audience on a one-to-one basis whilst associating your brand with a fabulous celebration of independent creativity.

If you are reading this we hope that you'll consider being a sponsor. Places are allocated on a first come, first served basis.

The Indie Awards: celebrating the very best independent creativity

There are many creative industry award shows today but, The Indie Awards are different!

The Indie Awards are the only international awards exclusively for independent agencies of all disciplines: Creative, Media, and PR/Earned. Unlike any other awards, they are exclusively for independent agencies and are judged by independent agencies.

The Indie Awards aims to raise the profile of independent agencies, REWARD TALENT AND ACHIEVEMENT and not just size, and will raise industry standards by encouraging independent agencies to enter awards.

As you might expect with such an event, the actual awards are different too.

Each category winner receives a beautifully hand crafted whistle made by Misha Somerville, in his Scottish workshop. As well as being a stunning addition to any trophy collection, an Indie Award also represent a means to creativity in its own right.

An overall winner is selected from the various category winners with the most impressive work winning its creators the much sought after BEST IN SHOW whistle.

If you'd like your brand to be associated with The Indie Awards and supporting the world's best independent creativity, sponsorship opportunities start from just £500 GB.
